The Honorable Jeremiah Denton
Chairman
Subcommittee on Security and Terrorism
Committee on the Judiciary
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

Thank you for your letter concerning allegations of the Central Intelligence Agency's involvement in drug trafficking and associations with organized crime, as cited in a recent issue of The Nation.

I have checked with responsible Agency officials and also have had a search made of our files and indices where records of any such associations could reasonably be expected to be found. I can assure you that there is no evidence to support these allegations.

Sincerely,

/s/ Clair E. George
